

My name is (..) my age is (..) I was born in (..) and I currently live in (..) with my family in the governorate of (..) area (..) street (..) building (..).

I...studied at a university...college...major...with a very good general grade... in 2008.

I graduated in .. .. I have already learned many professional experiences during the training courses that my college conducts during my study period, which gave me practical experience in my field of study, and my passion for working in my field and self-development.

In fact, I have many hobbies that I like to practice in my spare time, which are:

1. Love to read and find out .

2. I like to paint what I feel.

3. Playing soccer and walking.

I have many personal skills, apart from having good communication skills with others and the ability to persuade, I also have the ability to speak more than one language such as: English, Spanish and recently Chinese.

I am also able to use (Word-excel ...) in an excellent way, I can complete my tasks at work
